Each illustration will be drawn in A5, and can be personalised with your events details and placed in a waterproof pouch to keep it protected ready for your guests to take home.

The married couple will also receive a framed A4 illustration. This can be done on the day or after from photos of your choice and can also include children and pets too!

It takes approximately 9 minutes to draw 1 person & 12 minutes to draw a couple. Even if I don't get to draw everyone who wants an illustration I still take photos of everyone who would like an illustration and can offer a reduced price to complete them after the day.

Bookings over 3 hours will include occasional breaks for the artist to rest and grab refreshments.

Travel costs of 50p per mile will apply to for any destinations over 40 miles from EX8
